Introduction to SCRATCH

Day 1

Matt Poteshman

- Rising High School Senior
- Scratch since 2010

mpoteshman1@gmail.com

Jalyn Wu

- Rising High School Senior
- Scratch since 2014

wjalynu@gmail.com

Elle Dafnis

- Rising High School Sophomore
- Scratch since 2016

elle.dafnis@gmail.com

What is Scratch?

Scratch is a website where you can program using "blocks" to create many types of projects. It's super open-ended meaning you can make anything you want. It is run by the Scratch Foundation, originally based out of MIT. For many, scratch is their first programming experience.

# What can you make with Scratch?

Games!

Animations!

Tutorials!

Signing up

Step 1
Press "Join Scratch"

Step 2
Create a Username and Password

Step 3
Select Country

Step 4
Enter Birthday

Step 5
Select Gender

Scratch News   View All

Black Lives Matter
Across the United States and around the world, adults and kids are raising their voices against racism and police violence. The Scratch Team stands with these protestors.

Celebrating Scratch Month
Thanks for making our first ever Scratch Month so wonderful! Let's celebrate!

Wiki Wednesday!
Check out the new Wiki Wednesday forum post, a news series highlighting the Scratch Wiki!
